- **My thanks to the parents who have made their voluntary contribution this year. We have had a pretty good response so far. As discussed at P&C the school does not ask parents for payment to cover the purchasing of text books and/or classroom equipment so this voluntary contribution really does help. We have set the contribution at $40 per family but parents are more than welcome to pay more or less as appropriate.**

**ANZAC Day March**

Last week you would have received information about our schools involvement in the Goulburn ANZAC day march. If your child/ren is wishing to attend, please ensure you fill out the note and return it to school so we can account for all participants. For information, please see the office.

**Park Road– Drop Off/Pick Up Area**

A reminder that the drop-off / pick-up zone along Park Road is for **dropping off and picking up only**.

When using this area, parents should not be getting out of their cars to collect students or holding up the queue talking with other parents.

This area along Park Rd is a NO PARKING zone (except for the Drop off, Pick Up) between the hours of 8:30-9:30am and 3:00-4:00pm.

We have had some concerned parents approach the school about some parents not using this area correctly.

If you have any questions, please contact Mr Darcey as soon as possible.
