I received a letter during the week from the Council thanking our students for their performance as part of National Sorry Day.

“Thank you for a heart-warming performance by students and teachers last Monday at the Sorry Day Ceremony. As always the students performed beautifully and the guests attending were most complementary in their feedback.

I would also like to thank all the students for participating in the hands of participation project. Our apologies to parents that needed to clean uniforms after the event. Cr Kettle, Mayor of Goulburn Mulwaree was amused by the several small handprints he received on his suit!”

Yesterday students in the GCOPS choir went to Bradfordville School to practise their songs with Miss Powles and Mrs Cribb in preparation for the Education Week concert to be held in Term 3. Goulburn East will be singing as part of the Combined Choir and the K-2 students will be performing an item too. Further details to follow soon! We will let you know when tickets go on sale for our show.
