Stage 3 Camp

Congratulations firstly to every single student who performed last week. Kindergarten joined the Primary Choir at Centro on Monday to play the bells to entertain the lunchtime crowds. On Wednesday the students in K-2 delighted the audience at the Workers Club; dancing, playing and singing to the ‘Hair Medley’. The Primary Choir joined choirs from several other schools to ‘raise the roof’ with a fantastic array of songs. Their conductor was very proud of them!! We finished the week with our fortnightly assembly at which all classes shared some work they had been doing in class – masks, music, stories, art, poetry - we had it all! Thank you to our hardworking teachers who made the week such a success.

On Monday, I had the honour of attending the signing of an agreement between the NSW Aboriginal Education Consultative Group (AECG) and the Department of Education and Communities (DEC) with several of our school leaders. Angelica Downey, Jacob Waters and Kaylee Roy represented our students and they were wonderful ambassadors for our school. The agreement encourages collaboration between Aboriginal and non-Aboriginal people in promoting a better understanding of our shared history, respect and acceptance of both cultures.

Have a lovely week!

REGULAR SCHOOL ATTENDANCE MAKES A DIFFERENCE

There was an article in the Sydney Morning Herald last weekend, linking regular school attendance with performance in NAPLAN. Primary school offers a wide variety of activities and learning experiences every day and we thank you for your support in ensuring your children are ready for learning each day. Usually our children are happy to come to school; to learn with their class and play with their friends. If your child becomes reluctant to come to school, please let myself or the teachers know so that we can work together to resolve any issues. Regular attendance at school is so important and we want it to be a happy place for all.

NSW PREMIER’S READING CHALLENGE
WILL FINISH ON FRIDAY 22 AUGUST

Next week Mrs Cribb will be in the library 2nd half of lunch on Monday, Tuesday and Wednesday to help anyone who needs to find some more books to complete the challenge and to help anyone who is ready to log their books online.

ENROLMENTS FOR KINDERGARTEN 2015

Kindergarten enrolments are now being taken for children who will turn 5 years old before 31st July 2015 and live in the Goulburn East Zone. Enrolment forms are available from the Office.

To finalise your child’s enrolment you will need to bring along:

- A completed enrolment form
- Your child’s Birth Certificate
- Your child’s immunization certificate (available from Medicare)
- Proof of address eg electricity bill, rental agreement etc

Please bring along the original documents - these will be photocopied for inclusion in your child’s record card. Kindergarten orientation days will be held in Term 4. More information on the orientation days will be provided at a later date.

ASTHMA PUFFERS AT SCHOOL

If your child requires an Asthma puffer (such as Asmol or Ventolin) you will need to complete a Request to Administer Medication form which is available at the school office. You will also need to provide the puffer and a spacer to the school office for your child’s personal use.

Students are not permitted to self-administer asthma medication at school, with the exception of sports events when prior arrangements have been made for them to carry the medication with them.

Please ensure that your child’s doctor completes an Asthma Management Plan which is required by the school and assists us to effectively care for your child during asthmatic episodes.
