---

The safety of our students – your children – is so important and today we welcomed St John’s Ambulance staff to present some essential first aid tips to our students in Years 3-6. Later in the term the Royal Life Saving Society will be visiting all our classes to talk about safety around water and at the beach.

Our Year 6 students have begun to prepare themselves for their move to high school next year with Orientation Days and Placement Tests being held. This year at Goulburn East we are trialling a program with a mixed group of Year 6 students focusing on resilience and well-being particularly during the transition to high school. If the students find the sessions beneficial, we will expand the program to all Year 6 students. Thank you to our first group for their keen participation and feedback.

Our Goulburn East School Plan 2015-2017 values the ongoing professional learning of our teachers and the impact this has on improving student learning. Last week our staff was joined by the primary teachers of Marulan PS to start training in Focus on Reading, a comprehensive package to improve and extend all students’ reading strategies and skills. This was the first of two sessions this term, each held for three hours after school. Mrs Robinson is delivering this extensive training to staff and I know that our staff and students will benefit greatly from her knowledge and experience with this program.

The P&C are committed to providing healthy food in our canteen. Mrs Noble and Mrs Broderick will be attending a conference next week in Queanbeyan to support their work in the canteen. This week a new oven has also been installed in the canteen, funded by the P&C. We have many students ordering their lunch on Fridays so this will enable the canteen volunteers to cater more easily for these numbers and to offer a range of freshly cooked items each week.

Parent Online Payments (POP)
Have you tried out our Parent Online Payment (POP) system yet? Why not log on to the school website and take a look. Click on the ‘Make a Payment’ tab to get started.
Points to remember:
- You only need to enter information on the sections marked with a green asterisk, starting with your child’s name and date of birth
- Multiple payments can be made in the one transaction (ie you can pay for sport, an excursion, and a voluntary contribution by clicking on the appropriate payment descriptions), but please complete a separate transaction for each different child
- Write your receipt number on the permission note and return it to school as usual
Questions? No problem, just give the office a call!
