Wednesday, Thursday and Friday
8:15am – 8:50am in the school library
Gold coin donation

Goulburn East welcomed two members of the Principal School Leadership team today. As mentioned in a previous newsletter, our school was selected to take part in a pilot program to examine the School Excellence Framework and its ongoing evaluation. Every public school will be validated using this process once every five years. The Framework complements our School Plan 2015-2017 and together these two documents form the basis for setting goals to make our school an even better place for your children to learn and play. The panel members were particularly impressed with the student wellbeing and learning culture evident here at East.

Next Monday Engineers Without Borders will be running a session at Goulburn East for students in Years 3-6. This is part of a program called School Outreach where volunteers travel to schools across the country and present interactive modules to students about science, technology and humanitarian engineering. The aims of the program are to make science fun for students and to encourage them to engage with STEM both in and outside the classroom, and to teach students about how engineering can be used for humanitarian purposes. This wonderful opportunity is free for students thanks to businesses generously sponsoring this program.

If you are visiting the school for any reason during class time, please do not go straight to the classroom. It is important that you go to the office first, even if you are just dropping something off to your child. If you need to speak to your child’s teacher, please ring to make a convenient time if you are unable to see them before or after school.

With this newsletter we have included the very first P&C Newsletter! Take a moment to read how you can be part of our great school community.

Have a lovely week
Charmian Cribb

SKOOLBAG

Our school now has our own Skoolbag Smartphone App which we will be using to send you important information. Skoolbag provides effective and immediate two-way communication between the school and parents for notifications such as excursions, incursions, absences and alerts.

Please contact the office for further information.

## PSSA Medal Presentation

On Tuesday, 3rd November PSSA had their annual presentation of medals to recognise sport champions from the district. It was a proud moment for Goulburn East PS as two of our students were recognised for their sporting achievements.

Lachlan Handley was noted for going to State Championships for swimming and for being the Senior Boys Age Champion for Cross Country.

Ava Gilbert was awarded her medal for being the 11 years Girl Swimming Champion for 2015. Ava also went on to represent the district at the Regional Carnival.

Well done, Lachlan and Ava. I know the Goulburn East community is very proud of your achievements.
STAGE 2 HAVING FUN AT PCYC

YEAR 5 CAMPERS

**THE NEATE SWIM SCHOOL**

15 Dewhirst St, Goulburn.  
PH: 48212553  
Email: neatename@bigpond.com  
Facebook: TheNeate Swimschool

We are now taking bookings for term 1 2016 and have limited spots for morning and after school lessons. The term dates are Monday, 1st February to Friday, 8th April.

We also have limited spots for our NeateAbility program. (Swimming club for children with disabilities). If your child suffers from a disability don’t let them miss out on a skill for life.

There will be an intensive learn to swim program. (school aged children only). The dates are Monday, 18th January to Friday, 22nd January. The cost for group lessons (maximum 4 children per group). Will be $50 per child for the week.

For more information or to book in now please call us on 48212553.

Bookings can only be made by phoning the office.
