No lightning or thunder in sight yesterday for the Athletics Carnival! It was a wonderful day thanks to the meticulous organisation of Mrs Robinson, the fantastic students from Goulburn High and the staff and parents of Goulburn East. Well done to every student for their positive attitude and enthusiastic smiles all day long! Thank you to our families for sharing this lovely day with us. We will have the District Athletics early next term.

Well done to our kindergarten students for settling in to Goulburn East so quickly. You’ve been with us a whole term now!!

Staff return on Monday, 20th April with students returning the following day, Tuesday, 21st April.

Have a happy and safe holiday!

AUTISM AWARENESS DAY

Thursday April 2 is World Autism Awareness Day.
Iconic buildings across Australia and the world will turn their lights blue for the month to promote autism awareness

*Autism is not a choice. Acceptance Is.*

*We want to help our children find a way to be in this world and for others to have tolerance for someone who is different and doesn’t understand our world and its conventions very well.*

**What does it mean to have Autism?** It means that my brain can’t process sensory information that right way. When my brain gets information through any of my senses—sight, smell, hearing, taste, touch, vestibular or proprioception— it doesn’t always know what to do with that information and I become very disorganised and confused. Sometimes I overreact to this sensory input and sometimes I don’t react at enough. This makes it really hard for me to function at school, in public and even at home! I might have trouble learning or making friends. I might be shy and withdrawn from everyone, even my own mum! I might have trouble coping and have a lot of tantrums and meltdowns. I might be afraid of a lot of activities that kids usually enjoy. It is super tough!

**Multilit Volunteers Needed**

*“Making up lost time in Literacy”*

The basis of the Multilit approach to reading is to find out what skills students do have and which areas are cause for concern, and to then fill in their knowledge with direct, systematic and intensive teaching and/or tutoring of these skills.

We require tutors (volunteers) to do a 40 minute session 3-4 times a week on a one to one basis with students from Year 2. All training, support and materials are provided. The only pre-requisite skills we require are to be patient, encouraging and positive. It is still very useful and greatly appreciated if you can only offer one or two days a week, as the program allows for any tutor to work with any individual from their point of need.

Volunteers will require a Working with Children Check
Heather Moss will be coordinating the program and providing training. Please email heather.moss3@det.nsw.edu.au or phone 48217501.

**PERMISSION NOTES**

- Please check your child’s bag EVERY day for notes
- A separate note should be filled out for each student
- Remember to write your child’s FULL name on permission notes. Many notes are coming in with a first name only written on them
- If your child uses a surname other than their legal name, please put BOTH names on the permission note ie Joe Jones (Smith)
- Notes should not be put into home reader folders as they can get caught up with home reader sheets and books
- Prompt return of permission notes is appreciated and avoids having to send out multiple reminders
