<td><strong>SCHOOL P&amp;C FUNDRAISER</strong></td>
<td>We will be welcoming the Mayor of Goulburn Mulwaree Council to our Friday assembly this week. He will be personally thanking 12 of our senior students who welcomed visitors to the War Memorial on 24th April. Mrs Robinson will also be handing out a large number of sporting awards this week. In the second half of last year we made a few changes to our assembly organisation including communicating to parents when their child would be receiving a class award. It is wonderful to have so many parents and families attending our assemblies this year. Sometimes it is hard to hear the presenting children over the audience noise – usually enthusiastic younger brothers or sisters! Please try to limit distractions to help our students enjoy their moment on stage! Thank you for your assistance.</td>

<td><strong>ICAS Assessments for Term 2</strong></td>
<td><strong>We have received a large number of applications for Kindergarten 2016. In the last week I have had the pleasure of showing several new parents around our school. These were families who live in our zoned area and were interested in finding out more about our school. In line with the Goulburn Schools zoning agreement, we accept enrolments from all school aged children who live in Goulburn East's zoned area. If we receive an out-of-zone application, it is considered based on many factors including the current size of the school and classes, staffing and facilities.</strong></td>

Our school grounds are covered by the Inclosed Lands Act and legally no one should be on the premises without the principal's permission. MAKE A DIFFERENCE – BECOME A CARE SOUTH CARER

CareSouth supports vulnerable children and their families across Southern and Western NSW through a range of programs including FOSTER CARE, FAMILY CHOICES and AUNTIES & UNCLEs.

Foster care provides support and care for children and young people who can no longer live with their families. Carers can provide short-term, long-term or respite care depending on their circumstances.

CareSouth’s Family Choices program supports children with a disability and their families by providing respite care.

We provide our Foster Carers and Family Choices carers with exceptional support, training, caseworker visits, 24/7 on call support and a tax free allowance.

CareSouth Aunties & Uncles are volunteer carers who share a small amount of their time to put a little sparkle in a child’s life by becoming a role model to a child in their community. We provide quality support and training for the duration of their involvement.

There are children and young people in your community who could really benefit from your support today. Call us for an obligation-free chat about which program would best suit you and your family.
