Pies orders delivered to school
Friday 19th June
P & C Disco 5.30pm – 7.30pm
Tuesday 23rd June
Musica Viva
Friday 26th June
Mufti day fundraiser
Last day of Term 2

Teachers are currently writing Semester One reports. These formal reports are one way we assess and report your child’s progress each year. We will be holding interviews in Week 10 of this term and I would encourage you to take this opportunity to discuss your child’s learning with their class teacher. These interviews create a valuable link between home and school as we work together to give our children a great start! Interview forms will be coming home in Week 8 so that you can request a suitable time.

Our next P&C meeting is on next Tuesday, 2nd June. This will start at 7pm in the school library. This is a great opportunity to find out more about our school and to contribute ideas to support our students.

We have four school values based upon the Department of Education’s Core Values document. These genuinely guide our behaviour and attitude at Goulburn East and I believe that they are important values for life. They are Be Proud, Be Safe, Be Tolerant and Be Considerate. Over the next few weeks I will be reinforcing each of these values with all classes so that they understand each of these values and their own responsibilities in relation to each.

Thank you to all parents for making sure our students exit the school safely at the end of the day. It can become quite congested in the streets around the school, and the use of the crossing and your careful driving will keep it safe for all.

Charmian Cribb

UNIFORM SALE! DON’T MISS OUT!
Clothing pool uniform sale this Friday 29th May in the canteen from 9am – 9.30am.
Lots of sizes and items available including long pants, jumpers and school shirts.

Mondays 9:25-11:00am
in the School Hall
Please phone the Goulburn Art Gallery for further information on 4823 4494
YOU CAN MAKE A DIFFERENCE – BECOME A CARESOUTH CARER

CareSouth supports vulnerable children and their families across Southern and Western NSW through a range of programs including Foster Care, Family Choices and Aunties & Uncles.

Foster care can be short-term, long-term or respite. CareSouth’s Family Choices program supports children with a disability and their families by providing respite care.

Our Aunties & Uncles volunteer carers regularly share a small amount of their time to mentor a child in their community.

There are children and young people in your community who could really benefit from your interest. CareSouth provides carers with exceptional support and training. To find out more, call us for an obligation-free chat today on 1300 554 260 or visit caresouth.org.au

Administering Medicines At School

Any student requiring medication at school will need to have a Request for the Administration of a Prescribed Medicine form filled out by their parent/carer prior to staff administering the prescribed medicine. This form must be completed whether the medication is required for a short time only or on an on-going basis for a long-term condition.

Medicines MUST be brought to school sealed in the original packaging/container which clearly shows the prescription which will include:

- The child’s name
- The name and strength of the medication
- The prescribed dosage
- How frequently the medicine must be administered and at what time
- Any special storage instructions (such as antibiotics to be refrigerated)
- The name of the doctor who prescribed the medication

Please note that we DO NOT administer non-prescription medicines such as Panadol, Nurofen or cough medicine.

Asthma Puffers

If your child requires an Asthma puffer (such as Asmol or Ventolin) you will also need to provide a spacer to the school for your child’s personal use. Also, please ensure that your child’s doctor completes an Asthma Management Plan. This plan assists us to effectively care for your child during asthmatic episodes. Blank asthma plan forms, which should be filled out by your child’s doctor, are available at the front office.

Canteen volunteers needed

If you are able to volunteer in the Canteen please fill out the slip below and return it to the school office as soon as possible. Your details will be passed on to the P&C.

Please contact me regarding volunteering in the canteen:

Name: ........................................................................................................

Phone: .....................................................................................................

PIE DRIVE

Please remember:

• Order forms and correct money should be placed in a separate envelope clearly marked ‘Pie Drive’
• Online payments cannot be made for pie orders
• Items that are sold in 1 dozen batches cannot be split
• Order forms and payment MUST be received at the office by Thursday morning 4th June 2015. NO late orders can be accepted
• Orders are due to be delivered back to school the following week on Wednesday 10th June. Delivery time is usually 10.00am - 10.30am. Please organise collection of your order as early as possible
• Spare order forms are available from the school office

Canteen Meal Deals for Friday 29th May 2015

All meal deals are $4 and include a drink (water, juice, or flavoured milk) and a custard cup.

Meal Deal 1: Ham and pineapple pizza
Meal Deal 2: 3 chicken drummies
Meal Deal 3: Cheese and tomato sandwich

Orders should be written on a paper bag and include name, class, order and correct money. Students should place their lunch order in the box outside Mrs Robinson’s room on Friday morning.

This week’s canteen helper is: Melanie Broderick

Canteen volunteers needed

If you are able to volunteer in the Canteen please fill out the slip below and return it to the school office as soon as possible. Your details will be passed on to the P&C.

Treating headlice at home

1. Try sitting the child between your legs on a low stool and putting on a video for an hour while you work. Wrap a towel or kitchen paper around the child’s shoulders to catch conditioner spill.

2. Apply lots of conditioner to the scalp and massage it through all the hair. You will use a lot of conditioner. Every hair has to be coated to ensure it reaches the lice.

3. Lice live close to the scalp, so make sure that you cover the hair shaft close to the scalp and along the length of the hair. The idea of the application is to slow the movement of the head lice long enough for you to catch them with a comb.

4. After you’ve applied the conditioner, use a large comb to part small sections of the hair starting from the neck and working upwards toward the top of the head. Eggs are often found behind the ears and toward the back of the head. By using this method, you are more likely to find the head lice on top of and toward the front of the head.

5. When the hair is detangled and manageable, use a fine lice comb to comb out each section several times.

6. After each comb out, wipe the conditioner on the paper towel. If the child has head lice, you will see them on the towel.

7. Keep combing each section of hair until no further lice, nymphs or eggs appear on the paper towel. Often you will see lots of old egg casings that may take a while to remove.

8. REPEAT THIS PROCEDURE SEVERAL TIMES OVER THE NEXT 10 DAYS TO REMOVE ALL NEWLY HATCHED LICE.

9. Check your child’s hair each week to prevent the problem becoming overwhelming.

Other things you should know

Head lice often congregate on the crown of the head, so that it is not until you reach these last sections of hair that you find adult lice. However, heads that are severely infected will have adult lice everywhere. A good head lice comb should also remove nymphs, the stage between egg and adult louse - teenagers really. These can be difficult to identify with the naked eye, but appear as small insects on the paper towel.
