Students return for Term 3

Lots of preparations are underway at the moment for the end of this term and the beginning of next term. Year 5 and 6 students were excited last week to receive confirmed details of their major excursion to Berry Sport and Recreation Centre. This will be held in Week 7, Term 4 from Monday, 16th November. The P&C has once again generously supported this excursion with some financial assistance. With additional fundraising at school we have been able to keep the final cost as affordable as possible. Our recorder students are practising hard in preparation for their performance at the Opera House as part of the Festival of Instrumental Music in August. This is a very exciting event for these students and an experience they will never forget. Well done to the GCOPS choir for their excellent behaviour and attitude at the cluster rehearsal at Goulburn North last Thursday. They will feature, along with our exciting dance items, at the Goulburn Community of Schools Concerts in Week 3 next term.

There are many sporting individuals and teams who are about to play in Knockouts and Gala Days. As always, I know that they will represent our school and their team with pride. Musica Viva will be visiting our school on Tuesday 23rd June. Musica Viva always provides a unique and memorable experience performed by professional musicians and the staff and students always look forward to these concerts.

I am currently reviewing end-of-year arrangements. One suggestion from many families is that our major Presentation Assembly should be held during the day rather than in the evening. Please complete the slip in this newsletter if you have a preference and return it to the office by Friday, 19th June.

The simplest way
...to make lunch healthy.

It takes no more time to pack a healthy lunch than an unhealthy one – and lunch boxes are a great time to give your kids fruit and veg!

- add vegie sticks – like carrot, capsicum and celery – every day
- cut fruit into small pieces, kids are more likely to eat small pieces of food
- squeeze lemon juice over cut apple to prevent it from going brown
- pack a wholegrain sandwich and a reduced-fat yoghurt
- choose water over juice – it’s healthier and cheaper
- always add an ice brick in summer to keep your kids’ lunch cool.

Remember: pack fruit + veg every day!

The simplest way
...to add healthy snacks to lunch boxes

Kids have little tummies and need small amounts of food often. Try these simple + healthy snack ideas in your child’s lunch box:

- Plain air-popped popcorn (without salt or butter) mixed with sultanas + dried apple
- Dried fruit snack packs: buy them ready made, or make your own at home in reusable containers
- Fruit salads: buy small tubs of diced fruit in natural juice, or cut up small pieces of fruit + make your own!
- Crackers + veg: Slice up some avocado or tomato + send with some rice crackers
- Little vegie bags: cherry tomatoes, capsicum, carrot and celery sticks
- Frozen fruit bags: freeze grapes, orange quarters or strawberries + then send to school!

Remember: kids love small portions, so cutting up fruit + veg will help make sure they don’t bring it home at the end of the day!

Pikelet Day – Wednesday 17th June

2S have been working on a unit with Mrs Sharwood and Miss Harley called ‘Pancakes Make a Difference’. The unit is about fundraising and the role it plays in our society. It fits well with our unit, ‘Workers in the Community’, and learning about Australian coins and money in Mathematics.

The class have decided to sell Pikelets on Wednesday 17th of June as a fundraiser. The money raised will be used to purchase more pinboards for the school hall. The price of the pikelets will be 4 for $2. A separate note will be sent out with further information as students will be asked to pre-order their pikelets.
