Hard to believe that the playground looked like this less
than a week ago!

We are busy with the final rehearsals for choir and the three
dance groups performing next week at the Goulburn
Workers Club. These concerts are put together by Goulburn
teachers to showcase the creative talents of public school
students in our district. It is a mammoth task to organise
these concerts. The planning starts the previous November
and I would like to acknowledge the amazing job that the
teaching staff, support staff and office staff of Goulburn
schools do every year to make these concerts so successful.

I would also like to thank Goulburn Workers Club for their
ongoing support of these concerts every year.

Looking forward to concert week!

PIANO LESSONS

After an overwhelming response to piano lessons offered during school hours, I no longer have any times available. However, as I continue to receive enquiries, I have decided to offer some lessons after school from my home. Please contact me if you would like further information.

Fundraising
Tayla Campbell is a Year 2 student at Goulburn East who has set herself the challenge of participating in the City to Surf in a few weeks’ time. Tayla and her father will be running to raise money to purchase a specially adapted chair for a severely disabled 5 year old boy. You may have heard or read about Tayla’s father, David, recently and his aim to raise the funds required to assist this family.

If you would like to support Tayla’s fantastic goal to complete the City to Surf, please drop your donation into the collection box at the school office.

Good luck Tayla and David!!
