WOW!!

Education Week is a celebration of our public schools and the achievements of our students, and as part of this week we showcase the talents of our performers. Our massed choir and dance groups did an amazing job under the spotlights. They had practised all day with Goulburn South, Goulburn West and The Crescent to put together a wonderful show. For me, the special moments of these shows are not just the ones the audience see on the night. When The Crescent School’s CD stopped working during their dance practice, the students from the other three schools clapped and sang the rest of the song so the Crescent students could continue practising.

By the time you read this, two of our dance groups and the choir will have performed at Goulburn Plaza too.

Thank you to all of our teaching and non-teaching staff for your dedication, long hours and support of each other in providing these opportunities for our children.

As always, thank you to our parents and families for your continued support of our school activities.

As mentioned in a previous newsletter, parents and families will have the opportunity to visit our school and classrooms later this term as part of our celebration of Book Week and National Literacy and Numeracy Week. Stay tuned for more information!

### Fundraising

Tayla Campbell is a Year 2 student at Goulburn East who has set herself the challenge of participating in the City to Surf in a few weeks’ time. Tayla and her father will be running to raise money to purchase a specially adapted chair for a severely disabled 5 year old boy. You may have heard or read about Tayla’s father, David, recently and his aim to raise the funds required to assist this family.

If you would like to support Tayla’s fantastic goal to complete the City to Surf, please drop your donation into the collection box at the school office.

Good luck Tayla and David!!
I had the pleasure with three of our school leaders to attend a presentation by four inspirational people who have been recognised under the Australian of the Year program. Lachlan Handley, Destiny Quick and Tayla Hogan were invited as Goulburn East representatives to a special assembly at Goulburn West to hear Genevieve Clay-Smith (NSW Young Australian of the Year 2015), Corey Payne (2013 Young Australian of the Year), Jules Allen who works closely with Deborra-Lee Furness (NSW Australian of the Year 2015) and Reverend Graham Long (NSW Local Hero 2014 from the Wayside Chapel). They spoke about their work and their commitment to the community. The overwhelming message to our leaders was that each and every one of us can make a significant difference in the lives of others. Quite a humbling thought for us all.
